For Students

Thank you Lord for this new year, to grow in the knowledge of you & to give you glory and praise.

Thank you that your mighty grace is upon me, to learn, to grow, and to accomplish all you have planned for me. I am prosperous and successful in every way. I have focus and attention in class. I am smart, intelligent, and have a spirit of excellence in all things.

I am daily strengthened with power through your Spirit in my inner man. I overcome obstacles, and grow stronger and wiser through them. I make wise decisions, and rise to the top.

I am strong and courageous! You are with me everywhere I go. No weapon formed against me will prosper and every tongue that rises up against me in judgment I will condemn.

I am strong in the spirit of my mind. I have righteous and sound judgment. You have not given me a spirit of fear, but a Spirit of love, power, and a sound mind!

I am rooted and planted in the Lord, in your Word and your Spirit. I will not be moved or uprooted, but will grow daily in my faith. My heart is steadfast, and I am unashamed of the gospel of Jesus Christ.

I am filled with your joy, and your joy is my strength! Great is my peace and undisturbed composure.

Thank you Jesus for godly friends. Healthy friendships where we build each other up and sharpen one another. I will not follow ungodly paths or people, but my feet stay on the straight and narrow path that leads to life.

I have your counsel, sound wisdom, understanding and strength. My eyes look straight ahead, without focus on distractions. I have insight and wisdom beyond my years. I have discernment and wise judgment.

I speak a hedge of protection over my heart, mind and body. I prosper and am healthy, even as my soul prospers. You are with me everywhere that my feet will tread.

I am the head and not the tail, above and not beneath, blessed coming in and blessed going out, in Jesus Mighty Name!
